

## TESTIMONIALS FROM SOME OF OUR STARS

- Hi, my name is De Silvia and I now have a new career in a local hospital thanks to AIPT. Thanks to their Placement Service my life long dream came true and best of all my starting salary was \$ 46,000.00. AIPT gave me the skills and training I needed to enter this exciting healthcare field where I was able to interact with doctors, nurses and research scholars as an integral part of a rewarding team environment. Thank you, AIPT, for changing my life.

- Hi, my name is Michelle. I always wanted to be in the pharmaceutical industry. I recently graduated from AIPT with Diploma in Chemical Technology. During my career education, AIPT secured a new career for me with one of the largest and most prestigious pharmaceutical firm in New Jersey. AIPT made it easy and fulfilled a dream that I thought was impossible before. I now earn a salary I could only fantasize about and have a rewarding career. Thank you AIPT for caring.

- Hi, my name is Jani. The best decision I ever made was that day I walked into AIPT. They changed my fears into hope and transformed me into the person I am today. While it was hard work, I now have a Career in healthcare. They gave me the individual attention I needed to succeed. I now am employed in a new career for a major consumer products industry in Metro Philadelphia in their research and development department and recently I was promoted to group leader. My future is secure with the educational foundation I was given at AIPT. Thank you.

- Hi, my name is Persaud and I always wanted to be a Quality Assurance Professional but I realized without a career diploma my chances were not good if I wanted to succeed with a large multi national company. AIPT gave me the opportunity I was looking for. I received a Diploma in less than a year and AIPT's career services got me the job of my dreams with Lascomp. I now have a career and an earning potential of over \$ 68,000.00 a year. Dreams can come true; mine did and so can yours at AIPT.

- Hi, my name is Leidy. I was confused and had low self-esteem before I found AIPT. I took a chance and answered an advertisement for the AIPT and found my entire life opening up in front of me. I always loved to help others and wanted a career in this field. The friendly counselors in admissions saw my potential and helped me through my financial difficulties. **I was fully funded by NJ State WDP and Scholarships from the school and received my education as a Medical Assistant for FREE, yes it's FREE.** Now I have a great future for my further education in Licensed Practical Nurse (LPN) at Job Corps in the New York. I have a new life and a career. My parents are so proud of me and I owe it all to AIPT.

And many more

Thank You, AIPT
